Hi Sherri,

The update on outdoor mask use for fully vaccinated cruise passengers and crew has completed clearance and is ready for posting (b)(5)

(b)(5)

(b)(5)

These updates are completing clearance in our (GTMF) task force. Once complete, we will still need IM and JIC clearance. Any help you or Henry can provide in moving these along quickly would be very much appreciated. Without expedited clearance for these products, it will be difficult to get these out before COB Friday.

Thank you!  
Julia

Good morning!

The agency with primary jurisdiction over masks on cruise ships is actually CDC.

DOT OGC confirmed they have no jurisdiction over cruise ships, and DHS OGC told me the coast guard puts out a bulletin to help enforce the CDC masking order, but all the standards that apply to masking on cruise ships come from the CDC order. So I'm glad to help bring the lawyers from DHS/DOT together, but not sure you need them.

Adding Jim and Paul from HHS OGC too in case there are more questions about the specific issues you are dealing with.

Thanks!

Ahoy!

Captain Ben can provide advice on navigating these choppy waters on behalf of Team COVID. I'm tempted to plead that I'm a bit underwater at the moment, but the reality is that he's just got his sea legs under him better on the stakeholder issues.
